## **1.0 Aim**

This Multi-Year Accessibility Plan is developed in accordance with the Integration Accessibility Standards Regulation under the *Accessibility for Ontarians with Disabilities Act, 2005*. It incorporates the intentions of the Board to meet its obligations under the *Ontarians with Disabilities Act, 2001*. The Plan describes the measures that the Board will take over the five year period from 2019-2024 to identify, remove and prevent barriers to people with disabilities who work, learn and participate in the School Board community and environment including students, staff, parents and guardians, volunteers and visitors to the Board and its schools. The plan will be guided by the Board's Accessibility Standards-Policy Statement (Policy 3A:25).

## **2.0 Objectives**

This Plan:

- 2.1** Describes the process by which the Huron-Perth Catholic District School Board will identify, remove and prevent barriers;
- 2.2** Reviews recent efforts of the Huron-Perth Catholic District School Board to remove and prevent barriers;
- 2.3** Describes the measures the Huron-Perth Catholic District School Board will take in the period 2019-2024 to identify, remove and prevent barriers;
- 2.4** Makes a commitment to provide an annual status report on the Board's implementation of the multi-year accessibility plan and post on the Board's website;
- 2.5** Makes a commitment to review and update the Multi-Year Accessibility Plan at least once every 5 years;
- 2.6** Describes how the Huron-Perth Catholic School Board will make this accessibility plan available to the public.

## **3.0 Commitment to Accessibility Planning**

This plan will be established, reviewed and updated in consultation with persons with disabilities and with the Board's Special Education Advisory Committee and Accessibility Advisory Committee. It will be presented to the Board for approval. The Huron-Perth Catholic District School Board is committed to:

- 3.1** Maintaining an Accessibility Planning Committee;
- 3.2** Continuing the process of consulting with the Special Education Advisory Committee and with persons with disabilities;
- 3.3** Ensuring, wherever practicable, that Board policies, procedures and practices are consistent with the principles of accessibility and inclusive/universal design. The Accessibility Planning Committee will provide input re: accessibility issues, where appropriate, with regard to new policies and procedures and to those under review;

- 3.4** Improving access to facilities, policies, programs, practices and services for students, staff, parents/guardians, volunteers and members of the community. Consideration of ongoing identification of barriers will be the responsibility of the Accessibility Committee and will, wherever practicable, be incorporated in the multi-year plan.

The Director of Education has authorized the Accessibility Committee to review and update the Multi-Year Accessibility Plan that will enable the Huron-Perth Catholic District School Board to meet these commitments.

#### **4.0 Description of the Huron-Perth Catholic District School Board**

The Huron-Perth Catholic District School Board has a rich 165 year history of providing quality Catholic education to our students. Located in mid-western Ontario, the Board encompasses historic Goderich and the Lake Huron shoreline with rich productive agricultural land and several small rural communities. At the southerly end, Stratford anchors Perth County with its world-renowned Shakespeare Festival. The counties of Huron and Perth are part of the Roman Catholic Diocese of London.

The Huron-Perth Catholic District School Board is one of the highest achieving Boards in the province of Ontario. We are very proud of teaching excellence across our schools guided by the principle that “students really do come first”. For our approximately 4,600 students, their experience in our Catholic schools is more than academic achievement. Christ’s teachings inspire our staff to see each child as a precious gift and a sacred responsibility. Within the rich heritage and tradition of our Catholic faith, our 500 staff members strive to call forth and develop in our young people all the necessary skills, competencies and attitudes (rooted in the Ontario Catholic Graduate Expectations), that will enable them to live a faithful and fulfilling life in contemporary society.

## 6.0 Strategy for Prevention and Removal of Barriers

Beginning in September 1, 2002, the principles of inclusionary practice, freedom from barriers and accessible environments have informed all Huron-Perth Catholic District School Board policies, programs, procedures and services. Through the annual accessibility plan status report process implemented under the *Ontarians with Disabilities Act, 2001*, the Huron-Perth Catholic District School Board's programming, policies and practices have been assessed to ensure continuous improvement in accessibility. This process will continue through the establishment of a Multi-Year Accessibility Plan which places particular emphasis on the provisions of the regulations made under the AODA with regard to customer service, information and communications, employment and school transportation.

## 7.0 Barrier Identification Methodologies

The Accessibility Planning Committee uses the following barrier-identification methods:

Methodology	Description	Status
Accessibility Survey	Results of surveys tabulated/analyzed	Review by Accessibility Planning Committee in progress
Accessibility Planning Committee considers results of review	Potential actions re identified accessibility issues discussed within multi-year strategy	In progress
Accessibility Planning Committee also considers Facilities report re physical environment	Surveys of buildings considered and identification of criteria for action within multi-year strategy	In progress
Communication steps: Board, SEAC, Employee Groups, Public	Opportunity for input or feedback prior to approval and posting on website	Completed

## 8.0 **Recent Barrier Removal Achievements**

The most recent Annual Accessibility Plan developed in accordance with the Ontarians with Disability Act (ODA) identified a range of barriers and appropriate strategies for their removal. The detailed achievements are set out in the following chart:

<b>Type of Barrier</b>	<b>Location</b>	<b>Action Taken</b>
Physical	St. Boniface	<ul style="list-style-type: none"> <li>Repave entire playground area</li> </ul>
Physical	St. Joseph's, Stratford	<ul style="list-style-type: none"> <li>Install privacy film on window</li> <li>Install matting</li> </ul>
Physical	St. Mary's, Goderich	<ul style="list-style-type: none"> <li>Raise electrical outlets and relocate thermostat</li> </ul>
Physical	St. Anne's	<ul style="list-style-type: none"> <li>Alterations in Classroom 141 including installation of partition, door frames and rework ceiling grid</li> </ul>
Physical	St. Patrick's, Dublin	<ul style="list-style-type: none"> <li>Installation of wall with door, relocate heater and install new lighting</li> </ul>

## 9.0 **Barriers to be Addressed Under the Multi-Year Accessibility Plan**

The Integrated Accessibility Standards Regulation 191/11 filed in June, 2011 pursuant to the Accessibility for Ontarians with Disabilities Act, 2005 identified specific requirements to achieve accessibility in the areas of:

- Information and Communications
- Employment
- Transportation

These requirements build on the Accessibility Standards for Customer Service which came into force in 2007.

HURON-PERTH CATHOLIC Board intends, through this Multi-year Accessibility Plan for the period 2019-2024, to take action to address barriers to accessibility related to the Standards areas of current Regulations. This is in addition to ongoing work the Board is undertaking with regard to identification and removal of barriers in the Board's physical environment.

**2019-2021**

Type of Barrier	Location	Action	Effective Date
Information and Communication	Board-wide	Review accessibility features of all updates and purchases related to board and school websites in anticipation of WCAG, 2.1, Level AA standards	Ongoing preparation for 2021 deadline

**10.0 Review and Monitoring Process**

The Accessibility Planning Committee shall meet annually to review progress and evaluate the effectiveness of implementation of barrier-removal and prevention strategies and to plan for increased accessibility throughout the Board.

The Accessibility Planning Committee will ensure that in respect of the Multi-Year Accessibility Plan the following steps take place:

- (a) An annual status report on the progress of the measures taken to implement the plan is prepared.
- (b) At least once every 5 years the plan is reviewed and updated in consultation with persons with disabilities, with the Board’s Special Education Advisory Committee and other relevant committees.

**11.0 Communication of the Plan**

In addition to the public availability of the plan as referenced earlier on Page 2, Huron-Perth Catholic District School Board will post an annual status report on the progress of the Multi-Year Accessibility Plan on the Board’s website. The Board will accommodate requests for accessible formats of the Plan.
